PETITION

Everyone deserves to breathe, clean, safe, smoke free air. Smoke Free Columbia (www.smokefreecolumbia.org) supports eliminating secondhand smoke from all indoor workplaces to include offices, restaurants, bars, and bowling alleys. This is the only way to fairly protect all workers and patrons from unnecessary exposure to the health hazards of secondhand smoke. We are a group of Columbia residents, students, and employees working together to support 100% smoke free indoor air. Show your support for a Smoke Free Columbia.

“I live, work and/or spend money in the City of Columbia and I support the elimination of secondhand smoke from all of the city’s indoor workplaces. I support a citywide policy that will protect people from the health hazards of secondhand smoke and to allow them to work and socialize in clean, safe, smoke-free air.”

My support is indicated by my name and signature below:
